**REFLECTIVE
CAST CHROME**

CSC / CMC

PRODUCT OVERVIEW

A conformable cast chrome material with a silver coating. It is suitable for car wrapping (or any smooth or medium-curved surface). It comes in various reflective colors to create a distinctive appearance and improve a car's aesthetics. We recommend installing it with a steam vacuum or IRR heater.

TECHNICAL SPECIFICATIONS

PRODUCT CODE	CSC	CMC

RECOMMENDED APPLICATIONS

- Vehicle Wraps: Ideal for creating eye-catching vehicle graphics with vibrant colors and durable performance.
- Signage and Banners: Perfect for producing high-impact signage and promotional banners for indoor and outdoor use.
- Wall Murals: Allows for the creation of stunning wall murals and graphics to enhance interior spaces.
- Displays and Exhibits: Suitable for producing graphics for exhibitions, trade shows, and retail displays.

STORAGE AND HANDLING

- Store in a cool, dry environment away from direct sunlight.
- Keep the product in its original packaging until ready for use.
- Handle with clean hands to avoid contamination of the adhesive surface.
- Use within recommended shelf life for optimal performance.

DISCLAIMER:

The films mentioned in this bulletin are covered by TeckWrap product warranty and limitation of liability. All TeckWrap products are sold with the understanding that a buyer has independently determined the suitability of products for its purpose.

TeckWrap products are warranted to be free of defects in material for the period of shelf life. In case of product defects communicated in mentioned period, TeckWrap will consider and determine the existence of the defect and further decide at its sole discretion, to either replace defective product without charge or compensate it with money in such amount, as TeckWrap deems reasonable. This action is the exclusive right and only obligation of TeckWrap Inc.

This warranty does not cover the cases of normal wearing and transportation. In no event will TeckWrap Inc. be liable and responsible for labor, consequential damages, or incidental damages of any kind. Please forward your reclamation letters by email to crm@teckwrap.com
